MISTRAL

Step aboard the Mistral, where Italian craftsmanship meets modern luxury in every detail. This super yacht blends timeless elegance with cutting-edge design, creating a space that feels both stylish and comfortable. From the moment you enter, you're welcomed by plush Fendi-furnished interiors, offering the perfect setting for relaxation or entertaining, whether you're in the main saloon or lounging on the bridge deck.

The expansive outdoor spaces are designed for both fun and relaxation. The sundeck features a Jacuzzi with panoramic ocean views, perfect for unwinding under the sun. For those who like to stay active, the fully-equipped Technogym on the upper deck has the latest fitness equipment. After a workout, indulge in the private spa with a hammam, sauna, or massage, offering the ultimate in pampering and relaxation.

As the evening unfolds, the yacht transforms into a space for intimate gatherings. A grand piano sets the tone for unforgettable nights with friends and family, while the guest suites, accented with luxurious Gucci touches, offer a private retreat for restful sleep. The Mistral isn't just a yacht; it's a sanctuary where style, luxury, and high functionality come together for a seamless, indulgent experience on the water.
