Mericraft 100ft

The 31m/100' open yacht Mericraft 100ft, showcases the elegant designs of Carlo Galeazzi. Refitted in 2016, this yacht boasts a sleek and modern aesthetic that reflects the best of Italian craftsmanship. With her GRP hull and superstructure complemented by teak decks, The Mericraft offers a stylish and refined yachting experience.

Built for performance, The Mericraft 100 reaches an impressive top speed of 50 knots and comfortably cruises at 42 knots. Her planing hull allows for excellent speed and efficiency, with a range of up to 576 nautical miles at 37 knots. A low draft of 1.65m makes her ideal for exploring shallow waters and coastlines, while an advanced stabilisation system provides smooth and comfortable sailing. Designed for those who appreciate performance and luxury, This yacht offers a sophisticated, high-speed yachting experience.
